As an all-day event, Fresher's Fayre provides your organisation with the opportunity to meet prospective customers face to face, as well as being a fantastic opportunity to increase brand awareness.

This annual event attracts all Cardiff Met clubs and societies looking to recruit new members and demonstrates success year after year with the Athletic Union signing over 900 memberships alone last year.

EVENT SPONSORSHIP

Event Sponsorship is one of the best ways to get your organisation recognised by the student population. Sponsorship offers your organisation the opportunity to establish a lasting association of your brand with the student population.

Our annual Summer Ball is the biggest event of the year and a great opportunity for you to reach out to the 1,400+ students that attend.

We offer a vast range of packages and advertising opportunities that can be tailored to suit your brand or organisation. If you would like to get involved with any events that take place during the year then please contact us to discuss how event sponsorship can help you reach our student population.
