

AZHAR

FOR SU PRESIDENT

‘Putting a plan in action to ensure your satisfaction’

WHY ME?

I have been a part of the Cardiff Met’s student community for long enough to truly understand the problems & difficulties faced by students across all years, especially during these unprecedented times. If elected as your president, I will ensure to make your university experience the most memorable! I plan to do this, by:

REVITALISING YOUR STUDENT UNION:

- Increasing & improving SU events.
- Making the SU societies more active.
- Using the SU facilities and resources for safe social events.
- Setting up online & on-campus suggestion drop-off points to make the SU better for you.

INCREASING SU SUPPORT FOR YOU:

- Running more mental health & wellbeing events to provide increased student support.
- Organising more employability workshops to help prepare you for your future careers.
- Highlighting the SU’s focus on being an active platform for students to express their concerns and get any problems addressed.

MAKING THE SU’S PRESENCE MORE PROMINENT:

- Making you more aware of the support and services the SU offers.
- Strengthening the connections between the SU, student halls and other major student accommodations.
- Working with Met Res-life to deliver more fun activities.
- Improving the SU’s online presence with the goal of engaging the most students possible.

SOME OF MY ACTIVE ROLES AT THE UNIVERSITY INCLUDE:

- Student Ambassador
- Student Warden
- Res-life Ambassador
- SU course representative
